Is hbo max fire tv

HBO's streaming service HBO Max has tons of hit series people love, like "Friends," "Rick and Morty," and "The Bachelor," plus great originals like "Insecure," "The Sopranos," and "Last Week Tonight with John Oliver." HBO Max also offers hundreds of films to choose from on movie night — there's something for everyone. And although HBO Max used to be hard to find on some devices, you can now get it on any streaming device — including the Amazon Fire TV Stick (also known as the Firestick). Here's how to get HBO Max on your Firestick, or any other Fire TV device. **Quick tip:** Remember that while the HBO Max app is free, you still need to pay for an account. **How to get HBO Max on an Amazon Firestick 1.** Turn on your Firestick and select the Find option on the homepage, and then Search. You can search for the HBO Max app like any movie or show. **Amazon; William Antonelli/Insider 2.** Type in HBO Max and select it when it appears as a search result. **Quick tip:** If you have an Amazon Fire TV voice remote, you can also hold down the microphone or Alexa button and say "HBO Max." **3.** Select HBO Max underneath Apps & Games. It should be the first option. HBO Max should appear as the first result. **Amazon; William Antonelli/Insider 4.** On the app's information page, select Get. It's free to download. Select the "Get" option. **Amazon; William Antonelli/Insider 5.** Let the app download. Once it's installed, you can find it by heading to your App Library (select the gray square icon on the far-right of your homepage) or underneath Recently Used Apps on the homepage. HBO Max will appear in your App Library once it's installed. **Amazon; William Antonelli/Insider** Open HBO Max and sign into your account, or start a new subscription. Alternatively, head to your Firestick's homepage and scroll down. There's a chance that you'll see a section titled Sponsored: Apps & Games, with HBO Max as an option. HBO Max might be recommended here. **Amazon; William Antonelli/Insider** Melanie Weir contributed to a previous version of this article. **Tech Reporter for Insider** Reviews William Antonelli (he/she/they) is a writer, editor, and organizer based in New York City. On 16th November 2020, Amazon announced that it has added HBO Max back to their Amazon Store. Now, you don't need to sideload the HBO Max app onto your FireStick. HBO Max is a streaming platform that bundles up all of the HBO originals along with your favorite Movies and TV Shows outside of HBO. On HBO Max, now you can watch the most-awaited Peacemaker, Raised by Wolves (Season 2), DMZ, etc. Now on 8th March 2022, HBO Max has announced its service in 15 new countries of Europe, which will be replacing HBO España and HBO Go. If the HBO Max app doesn't appear on Amazon Store, then you need to sideload HBO Max APK. We've discussed two methods to install HBO Max. The first method is through downloading HBO Max APK and the second method involves Amazon App Store. **2 Ways to Watch HBO Max on FireStick 1** have discussed 2 ways to watch HBO Max on FireStick. These are: Sideload HBO Max APK (Outside US) Using Amazon Store (US region) Like other HBO streaming services such as HBO Go and HBO Now, HBO Max is also available in the US. To access HBO Max from outside of the US, it is strictly advised to use a VPN on your FireStick device. Our Recommended VPN – ExpressVPN ExpressVPN is our recommended choice because it completely hides your IP address and keeps your online identity anonymous while you stream HBO Max outside US. Get ExpressVPN today to enjoy 3 extra months free. It also offers a 30-day money-back guarantee policy that allows you to access all features risk-free for 30 days **Unlock HBO MAX Watch HBO Max on FireStick using Downloader APP** HBO Max is only available in the US. If you're traveling abroad but wants to stream your favorite content on HBO Max, you will have to set up and use ExpressVPN on FireStick. Now follow these steps to install HBO Max on FireStick: **1.** Open Firestick Home **2.** Click on the Settings icon **3.** Select My Fire TV **4.** Choose Developer Options **5.** Click on Apps from Unknown Sources **6.** Click on Turn On **7.** Navigate back to the home page and select the Find menu **8.** Click on the Search option **9.** Type "Downloader" and select it from the list **10.** Select the Downloader icon **11.** Click on "Download" and wait for the app to install **12.** Wait until the download is completed **13.** Click on Open to run the Downloader app **14.** Once the downloader opens, click on Allow **15.** A prompt will be displayed, click OK **16.** By default Home tab would be open with a text box displayed on the right side **17.** On the Downloader Home menu, enter this URL bit.ly/hbomax-apk and click GO **18.** Wait for the download to complete **19.** Click Install when the message appears **20.** After the installation is completed, click Done **21.** Select the Delete when the box appears **22.** Select Delete again **23.** Press the Home button on your FireStick remote for about 5 seconds until a screen appears. Click on Apps **24.** Select HBO Max from the list **25.** HBO Max will now launch If you face problems navigating the app, then you must install Mouse Toggle app for FireStick that works as a mouse and easily navigates any app on your FireStick. If you're outside the US, then you will see a message that appears that HBO is not available in your country. To access the app, install and use ExpressVPN on FireStick and connect to its US server before you start streaming any content. **Unlock HBO MAX Video Tutorial: How to Install HBO Max on FireStick** **Install HBO Max on FireStick using Amazon App Store** **Step 1:** Open FireStick Home **Step 2:** Click on the Find tab and then Click on Search Icon **Step 3:** Type HBO Max and click on the search result that appears **Step 4:** Select the HBO Max app from the list **Step 5:** Click on Get **Step 6:** Now open the HBO Max app on your FireStick **Step 7:** Click on Free Trial or Login or you can select the Browse option at the top **Step 8:** Have a look at the latest HBO Max Originals **Unlock HBO MAX How to Access HBO Max on FireStick from Outside US** If you're not available in the US, you will still be able to install HBO Max app for FireStick, but once you open it, you will see a message that says: 'Can't connect to HBO Max' even though your internet is working just fine. This message is an indication that HBO knows that you are not available in the US region. To avoid seeing that message and to access HBO Max outside the US, follow these instructions: **Step 1:** Subscribe with ExpressVPN (Our top choice) **Step 2:** Now you need to set up and use ExpressVPN on FireStick **Step 3:** Connect to any US server (preferably Latham, Detroit, or Bend as shown in the image below) **Step 4:** Once connected, open the HBO Max app once again **Step 5:** Click on Start your Free Trial or Enter Login details **Unlock HBO MAX How to Register with HBO Max** Before you can stream content on HBO Max, you need to register. Currently, HBO Max is offering a 7-days free trial option. Follow these steps to sign up with HBO Max: **Step 1:** Open the HBO Max website and click on Start your Free Trial **Step 2:** Enter your complete information and select Create Account **Step 3:** Enter payment details and select Start your Free Trial **Step 4:** Now you will be able to stream free HBO content for 7 days **HBO Max in New 15 Countries of Europe.** HBO Max has now expanded its service to 15 new countries of Europe. It is offering the service with 30% to 50% discount for a lifetime according to the region and also lowering the price in their regular plans. The list of 15 new countries in Europe are mentioned below: Bosnia and Herzegovina Bulgaria Croatia Czech Republic Hungary Moldova Montenegro Netherlands North Macedonia Poland Portugal Romania Serbia Slovakia Slovenia **How HBO Max is Different from HBO GO and HBO Now?** The new streaming service HBO Max serves as a deluxe version of HBO's older streaming services such as HBO Now and HBO Go. But what really makes a difference is just content selection and device support. HBO Max is now currently positioned to replace both HBO Go and HBO Now. HBO Go is no longer available since it was officially replaced by HBO Now on July 31st. Currently, HBO Now is being branded as HBO Max. HBO Max is a standalone streaming service that offers tons of other content from different production houses like Warner Bros, DC Comis, CNN, TNT, TBS, and Cartoon Network. It costs about \$14.99/month. However, HBO Go and HBO Now offer only HBO Originals and nothing outside of it. That being said, existing HBO Now and HBO users can also access HBO Max at no additional cost. **HBO Max Original Shows** Have a look at some of the HBO Max originals that you just can't miss: An American Pickle Charm City Kings Class Action Park Close Enough The Dog House UK Doom Patrol Expecting Amy Frayed The Great Pottery Throw Down Haute Dog Legendary HBO Max Alternatives If you have already watched all the recent HBO Max Originals and you wanted something new to watch, below are some of the good options that also work as HBO Max alternatives: If you're outside the US, make sure you use one of the best VPN for FireStick to stream shows from HBO Max. **Conclusion** HBO Max app wasn't previously available on the Amazon store, but since the announcement by Amazon itself, the HBO Max is now available for downloads through the official Amazon store. The app explicitly says that it is only available in the US and certain parts of US territories. If you're available outside the US, you will need a VPN to access its content. This guide shows how easily you can install, access, and register with HBO Max app without a problem.
